

# Associate in Science in Business Administration for Transfer Degree:

The Associate in Science in Business Administration for Transfer Degree is intended for students who plan to complete a bachelor's degree in Business Administration or a related major in the California State University (CSU) system. Students who complete this degree and transfer to a participating CSU campus will be required to complete no more than 60 units after transfer to earn a bachelor's degree. It may not be appropriate preparation for students transferring to a CSU campus that does not accept the degree. Students who plan to complete this degree should consult a counselor for additional information about participating CSU campuses as well as university admission, degree, and transfer requirements.

Students completing this major gain knowledge and skills in the study of Business Administration, including:

- The laws and ethical principles that govern business in America
- Accounting information systems and their use in external reporting and internal decision-making, planning, and controlling
- Computer business software applications
- Principles of market systems and economic sectors
- Mathematical methods to analyze and solve problems in business.

## Note:

The following is required for all AA-T or AS-T degrees:

- Completion of 60 CSU-transferable semester units. No more than 60 units are required.
- Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some CSU campuses and majors may require a higher GPA. Please see a counselor for more information.

- Completion of a minimum of 18 semester units in an "AA-T" or "AS-T" major (see list above). All courses in the major must be completed with a grade of C or better. A "P" (Pass) grade is not acceptable for courses in the major.
- Certified completion of the California State University General Education-Breadth pattern (CSU GE; see page 109 for more information); OR the Intersegmental General Education Transfer Curriculum pattern (IGETC; see page 101 for more information).

| <b>Courses Required for the Major:</b> |  | <b>Units</b> |
|--|--|--------------|
| BUSE 140                               | Business Law and the Legal Environment | 3            |
| ACCT 116A                              | Financial Accounting                   | 4            |
| ACCT 116B                              | Managerial Accounting                  | 4            |
| CISC 181                               | Principles of Information Systems      | 4            |
| ECON 120                               | Principles of Macroeconomics           | 3            |
| ECON 121                               | Principles of Microeconomics           | 3            |
| MATH 119                               | Elementary Statistics <b>or</b>        |              |
| PSYC 258                               | Behavioral Science Statistics          | 3            |
| MATH 121                               | Basic Techniques of Applied Calculus I | 3            |
| <b>Total Units = 27</b>                |  |              |
